Book Review: Les Misérables, by Victor Hugo

Les Miserables is big. Really, really big. Weighing in at about 1400 pages, its now the single longest book I have ever read. (A Dance to the Music of Time was longer, but while a single work, its tec

Can I lose weight if my only exercise is walking?

You might be able to lose weight that way, depending on how long and how intensely you walk and what your diets like. A combination of physical activity and cutting calories seems to help with weight
